- SSC delivers a modernised inter-island connectivity transport platform, using a multi vessel delivery system that allows us to offer a unique and efficient DOOR TO DOOR: PICK UP & DELIVERY SERVICE for 20ft containers (refrigerated, non-refrigerated & tanktainers).

i.e:

*Empty 20ft container delivered to customer.*

*Customer packs container.*

*SSC picks up container and then delivers it to the Barge for transportation to outer island destination.*

*Upon arrival at destination, container is then delivered by SSC to the specified location.*

- SSC's 1<sup>st</sup> Voyage is Scheduled for the 1<sup>st</sup> Jan 2020. This will be the start of a 2 week schedule rotation that operates between PORT VILA, MALEKULA, SANTO and TANNA.

*Regular updates to this schedule will be notified to our customers.*

- 1 week North
- 1 week South

- SSC has the flexibility to work with your consumption and supply demands, tailoring a partnership to promote outer island development.
- SSC's service and containers used, provides security with our quantifiable delivery system without the current risk of theft, contamination and wastage.
- SSC provides a service that will dramatically reduce the customer's time spent at domestic wharfs in the above-mentioned locations.
- SSC offers low cost pricing:
 

SANTO – MALEKULA (VICE VERSA)	100,000 vt
MALEKULA – PORT VILA (VICE VERSA)	160,000 vt
PORT VILA – SANTO (VICE VERSA)	240,000 vt
